Subject: Letter of Compliance for RoHS

To Whom It May Concern:

This is hereby to declare that Yageo Chip Resistor parts have been available as RoHS compliant since year 2002 and are manufactured in accordance with RoHS (Restriction of Hazardous Substances) directive guideline that restrict the use of certain material as stated below:

1. Lead
2. Mercury
3. Cadmium
4. Hexavalent Chromium
5. Polybrominated Biphenyls (PBB)
6. Polybrominated Biphenyl Ethers (PBDE)

As Yageo currently produces both RoHS and non-RoHS products, there is a change in the Yageo P/N for RoHS compliant parts (Yageo P/N ends with a "L" code letter for RoHS compliant).

Yageo part number RoHS related:
